

BUS PERMISSION SLIP TO TRAVEL TO THE
CENTRAL STEM FAIR
(Located on the BYU Campus)
March 29, 2017

Dear Parents,

Jordan School District is providing transportation to and from the Central Utah Science and Engineer Fair at BYU. If you are interested in having your child ride the bus you must fill out this permission slip below. **Bring this permission slip with you on the morning of the March 29. Do not give this to your child's teacher. If you are doing option #2, you must find the chaperone at BYU and sign the line underneath for your child to be released to you when you pick him/her up. This would be like you do when you check your student out of school.**

The buses will be parked in the Jordan District Auxiliary Building parking lot located at 7905 South Redwood Road at the south end of the building that faces Redwood Road. (It is on the southeast corner of the intersection of 7800 South and Redwood Road. It is right north of the former Chase Bank.) The buses will be leaving the Auxiliary building promptly at 9:00 a.m. We will be going regardless of the weather conditions. If it is snowing then we will meet in the Auxiliary Building foyer of the door marked "South Entrance".

Please have your child at the Auxiliary Building parking lot at 8:30 a.m. so we can make chaperone arrangements before we board the bus.

The bus will be returning to the Jordan District Auxiliary Building parking lot about 3:00 p.m. Please have someone there to pick up your child. Someone will be there until every student is picked up.

Thank you,
Paul Nance
